THE NEW MIDDLE SCHOOL

This was the year for many building improvements within our school corporation. Money was spent this year to build the new middle school. This new "Junior High" includes the sixth seventh, and eighth grades. The building has movable walls, and a new swimming pool. Much of the designing of this building was done by the teachers who will occupy it.

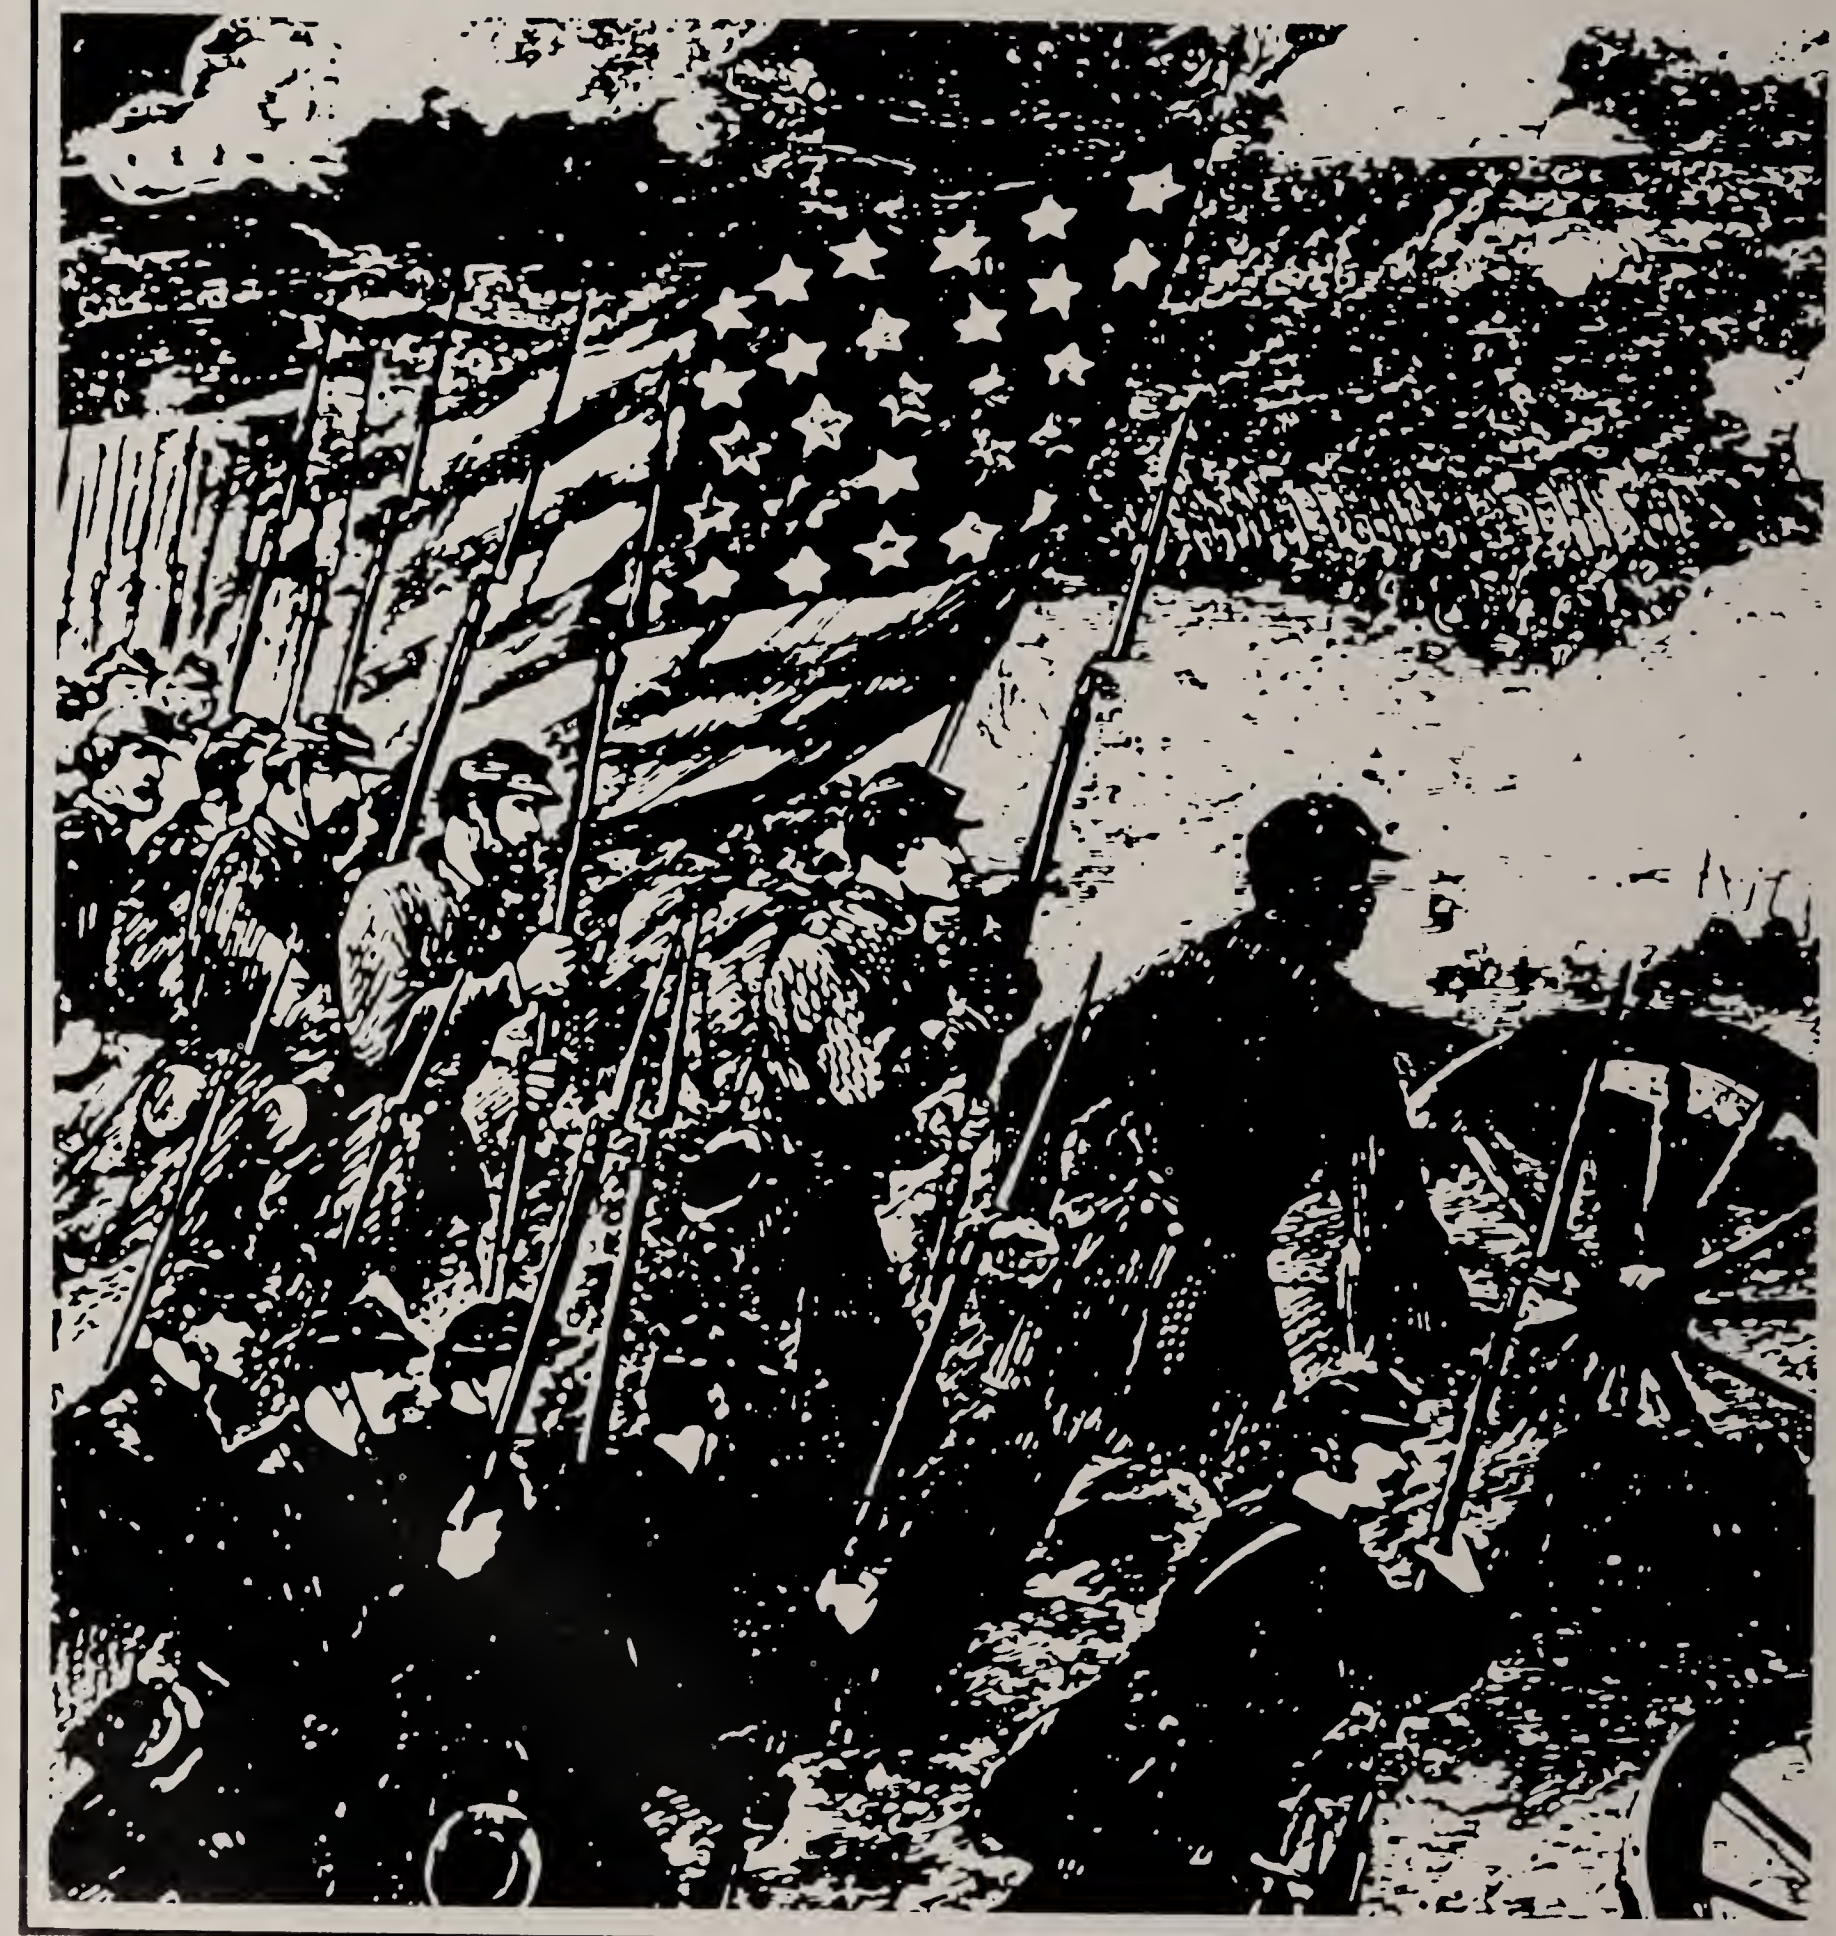
ORGANIZATIONS



LANGUAGE CLUBS

Three languages are offered at ICHS, and each class has developed their own club. They are; Latin Club (better known as JCL) under the direction of Mrs. Kaye Mishler, Spanish Club, sponsor Miss Trudi Ellison and French Club lead by Mrs. Rebecca Stafford. These clubs participate in many interesting and exciting projects. All of the clubs try to learn about the traditions of their country and their ways.

ATHLETIC STUDENTS IN GAA AND LETTERMAN'S CLUB

GAA girls pose for a picture.

The GAA girls have had an active club this year. They have participated in many different games each month and had their annual Powder Puff football game with the Seniors and Freshmen overpowering the Juniors and Sophomores. Sponsoring the club is Mrs. Newton.

Letterman's club has planned many new projects this past year. One project was going to see a Pacer basketball game. The purpose of the club, sponsored by Mr. Scott, is to enable all athletes of the school to come together and participate in extracurricular activities. Anyone who earns a varsity letter in any sport is eligible and encouraged to join.

STUDENTS WITH SPIRIT

The boys' and girls' pep clubs have been very active in supporting their team this year. The "Bleacher Bums" have really gone all out to give the football and basketball teams the spirit they need to get through a game.

The Girls' Pep Club had more members this year with the Freshman and other underclassmen joining.

THESPIANS & DRAMA CLUB

The Thespians and Drama club had put on quite a few productions this year. Pillow Talk, Taming of the Shrew, and Romeo & Juliet were the three plays done by the Drama Club. The Wizard of Oz, a children's play, which included only the Thespians, was presented to all the corporation schools as a Christmas present from the Thespians. All in all it was a very active year for these two clubs.

NHS AND STUDENT COUNCIL

National Honor Society and the Student Council are two hard-working groups of the school. NHS consists of students who have excelled in scholarship, leadership, character, and service. The NHS worked on many activities such as participation in a walk-a-thon, and cleaning up the school parking lot.

The Student Council is the elected officials of the student body. Their activities include sponsoring Homecoming, poster contests, and convocations along with representing the student body.

BAND

Our Marching Braves here at Indian Creek participated in state competitions and parades during the fall of 1975. During the months of October, the band, along with the bravettes, took part in the Fall Foliage Festival at Martinsville, Indiana. They also attended a University Band Day. The pep band and bravettes provided half time entertainment for the home basketball and football games.

Our chorus department has been fairly busy this year. The mixed chorus sang on the 24th of February for the school. The Concert Choir had performed at the Circle in Indianapolis, the Court House in Franklin, and for our concert here at school, for Christmas. The group also traveled to the elementaries, plus they sang for the school on the 24th. A small group from the Concert Choir went to the district contest and received a first place in the third division.

Two of the best piano players at Indian Creek are Dee George and Beth Stancomb.

RHYTHMAIRES

The 1976 Rhythmaires have shown their Bicentennial spirit through the year not only by singing patriotic songs, but through the outfits worn by the girls made to resemble the American flag. They have performed for organizations like the Production Credit Association as well as for school functions. Also this year the Rhythmaires participated in district and state Solo and Ensemble Contest. They received a first place award in district competition and a second place award at the state level.

NEWSPAPER STAFF

The Indian Creek's own newspaper, the Lil Brave, underwent many changes this year. Almost the entire staff, including its editor-in-chief, were new to journalism. Many new ideas were incorporated into the Lil Brave in hopes of improving the journalistic standards of the paper while also making it informative and enjoyable to read. For the first time it was published bi-weekly this year. The year ended with a lot of hard work and the publication of the '76 Senior edition.

The Bravettes had a very busy year. They participated in the Fall Foliage Parade and in various state band competitions. The two captains for Bravettes this year were Cherie Burger and Sherril Houser. The group consisted of 22 girls with the number increasing next year.

CHEERLEADERS

All of the cheerleaders have worked especially hard at the Creek this year. They've put much spirit and enthusiasm into all of the games. The cheerleaders have been assisted by the boys pep club which has been better this year than years previous.

This year our chess club finished 4-4 in the Chess League. Robert Tryon, Kurt Hunt, Mike Wilson, Jay Whitaker, Steve Adams, Terry Sutherlin, and Steve Clendenen were all members of the Suburban South Chess League. Kurt Hunt finishing 10th in a field of 36, participated with 2 other boys from IC in the S.S.C.L. They entered the State tourney on the 20th of March. Six new tourney chess sets and 5 chess clocks were contributed by Robert Tryon's father, a gift of nearly $300.00. The chess team finished 7th in the State Regionals.

The Audio Visual Club offers students interested in audio visual equipment and the use of them, an opportunity to learn how to properly use the equipment and to assist in the classrooms with AV.

The Library Club provided members a chance to learn more about their library while assisting the librarians during the school year. The Business Club is an organization for students who are interested in the business field. The members and sponsor, Mrs. Wertz, sell Correct-type, have several guest speakers from businesses, and go on a trip each year. This years trip was to Indiana University to see the Business Department.

YEARBOOK STAFF

The Yearbook Staff exerted much energy in the preparation of the 1976 Tomahawk. The staff members sold jar openers and sponsored a chili supper during the Invitational Tourney.

The Indian Creek Varsity Football team had an outstanding season record of 9-0. During the season, no opposing team was able to score over 16 points against the Braves.

Robbie Ray and Pat Haugh, co-captains of the Braves' team, were given special awards. The United Press International gave Robbie Ray Honorable Mention of the all state team. Pat Haugh was chosen to be a defensive player on the first All-State Team.

The Reserve team wound up the season with a 3-4 record. The two outstanding reserve defensive players were Don Davenport and Marty Rairdon. Don Davenport performed his outstanding plays with: 51 tackles, 23 assists, and 4 fumble recoveries. Marty Rairdon was just as outstanding with: 34 tackles, 19 assists, 1 fumble recovery, and 1 blocked punt. Both teams should be recognized for their most outstanding achievements in this school's history.

BRAVES MAKE PLAYOFFS, COUNTY HISTORY.

The Braves coming back onto the field refreshed after half time.

The Indian Creek Braves were the first team in Johnson County to ever go to the playoffs. The game was played at Lawrenceburg which resulted in the Braves defeat 26-7. The students and community of ICHS were fantastic in their backing of the team and their spirit. Yes, the Braves were defeated but this memorable game will go down in history and we will always remember that 1975 was THE YEAR OF THE BRAVES.

BRAVES CAGERS HAVE EXCITING SEASON

The I.C. Varsity Basketball team.

The Indian Creek Braves under their new coach, Max Dean, finished the 1975-76 season with a 11-10 record. The Braves' work-outs proved to be helpful as they started the year with two consecutive victories. The season balanced out in the line of victories and defeats, but the Braves were ahead with their tactics and speed. The ICHS Braves went to the Sectionals with high spirit but were defeated by Greenwood. The majority of the team were Seniors but Coach Dean will have several promising underclassmen for next year's team. In coach Dean's opinion, the highlight of the season was the Braves' victory over Brown County. The score was 75-73 with four overtimes at Brown County. The reserve team finished the season with a 10-10 record and the Freshman team with a 8-6 record.

FUTURE BRIGHT FOR GIRLS BASKETBALL

Judy and Cindy seem to think it's their ball.

Girls basketball had quite an exciting year. The Varsity record stands at 3-11 and the reserve 7-1.

The girls learned man to man defense this year and it seemed to come in handy. Zone defense was also applied and this too seemed to be a big help.

Leading scorer for Reserve was Linda Bartnikowski. Leading scorers for varsity were Cindy Myers and Dana Scott. Dana was also the leading rebounder.

The teams were composed mainly of underclassmen and this will come in handy in future years.

CROSS COUNTRY GOES ALL THE WAY!

Co-captains for the reserve team for this season were Rory Wray and John Eisenmenger.

Maxie Wilson and Rory Wray are shown taking the lead in one of the meets.

The Cross Country team pleased everyone at the Creek this year. The Varsity record this season was 7 wins and 3 losses. They also did well in special meets. They were 6th out of 9 in the Whiteland Invitational and in the Sectional they placed 11th out of 28. Both the Varsity and the Reserve finished first in the Conference Meet.

Varsity awards were given this year to Charlie Mudd, who was our first man in all of the meets except one, Most Valuable Runner; Tim Sleighter, who was the second man in every meet except one. Most Improved Runner; and Mark Sisson was the Outstanding Freshman. Kevin Millikan was the best fifth man in the Conference and J.D. Poppwell placed third in the Conference Meet. John Eisenmenger, although he was injured a lot of the time, did a good job—as did the whole Cross-country team.

BOYS AND GIRLS TRACK TEAM BOTH VICTORIOUS

With (both) our girls and boys track teams sweeping the Mid-Hoosier Conference Championship again places Indian Creek High School as the number one school in the conference. Both of our teams had an outstanding season with many records being broken. Some of the records broken this season were low and high hurdles, the high jump and the distance in the disc throwing. Also, Cindy Myers once again broke her soft ball throw to further her outstanding record. Everyone would like to commend both track teams for truly an outstanding season.

Don't worry Rob, it won't hurt!

BRAVES GETTIN' DOWN

Byron Palmer finishing a sit-out reversal.

The Indian Creek Wrestling Team finished the year with a record of one win and 8 losses (1-8). Coach Ferguson feels that the team did a good job since this was the first year for the varsity team, and many of the wrestlers were inexperienced. The Braves had to forfeit 18 points each game because of the lack of certain weights. The most valuable player was Richard Lane and the most improved, Scott Southerland. Co-captains of the team were Dale Orff and Allen Courtney.

1976 BRAVES' BASEBALL TEAM

With Coach Jim Anthony leading the Braves Varsity Baseball team the season record up to now is 6 wins and 7 losses. The season was full of exciting games with defeats and wins by only one point. Along with the varsity team follows the reserve team coached by Mr. Williams; unfortunately this season was not one of the best, with their record being 0-5.

Bat Girls were the new addition to the baseball team, lining up bats, gathering baseballs, and giving moral support to the team were their main objectives.

THE 1976 I.C. BRAVES VOLLEYBALL TEAM

The Volleyball reserve team, Coach. Ass't Patty Sichting. and Captains Lori Jones and Sheri Wray.

Our Indian Creek Volleying Braves had a 12-11 season. The varsity came out with 5 wins and 7 losses. On the other hand, the reserve team brought a 7 win, 4 loss season to I.C. High. Ellen Townsend was the most valuable player for the varsity squad. Most valuable player for the reserve squad was Lori Jones.

Two freshmen, one sophomore, and one junior were included in the varsity squad along with three seniors. The reserve team consisted of one senior, four juniors, two sophomores, and four freshmen. Since most of the varsity squad were underclassmen, the coming teams will have more power and skill.

Golf was established this year at IC. under Coach Max Dean. Thirteen golfers participated in this sport with the team including seven freshmen and two seniors.

According to Coach Dean, for the youth and lack of experience behind the golfers the team did very well and golf should develop into a very competitive team along with all our other sports.

CUSTODIANS & COOKS

An important part of our school is the custodians. They work very hard in trying to keep the school clean and presentable for the students.

Another important part of our school is the cooks. They prepare all those delicious meals daily in the lunchroom.

The Janitors—Mr. McPeak, Mr. Graves, Mr. Walters; not pictured is Mr. Parker.

Three of the cooks—Mrs. Jacobs, Mrs. Thompson and Mrs. Stancombe.

Mrs. Weddle, the librarian assistant, helps Linda Eubanks check out a book.

The Matrons—Mrs. Vansickle and Mrs. Cantrell.

GUIDANCE

Guidance Department helpers.

This year our guidance counselors were Mrs. Bradley and Mr. Mitchell. Mrs. Bradley takes care of grades 10 & 12, and Mr. Mitchell has grades 9 and 11 and both have their share of problems. Kim Sichting was the guidance assistant. Many students helped with the guidance department. Those students were Lil' Brock, Mike Parker, Sherrie Wray, Dana Skinner, Lori Jones, Kerry Logan, and Bob Busch. Those students working in the office were: Susan Whitaker, Debbie Ashley, Lynda Bradley, Ellen Townsend, Linda Schroeder, and Jamie Scallions.

Miss Ellison and Mr. Mitchell converse about their day.

Office Assistants

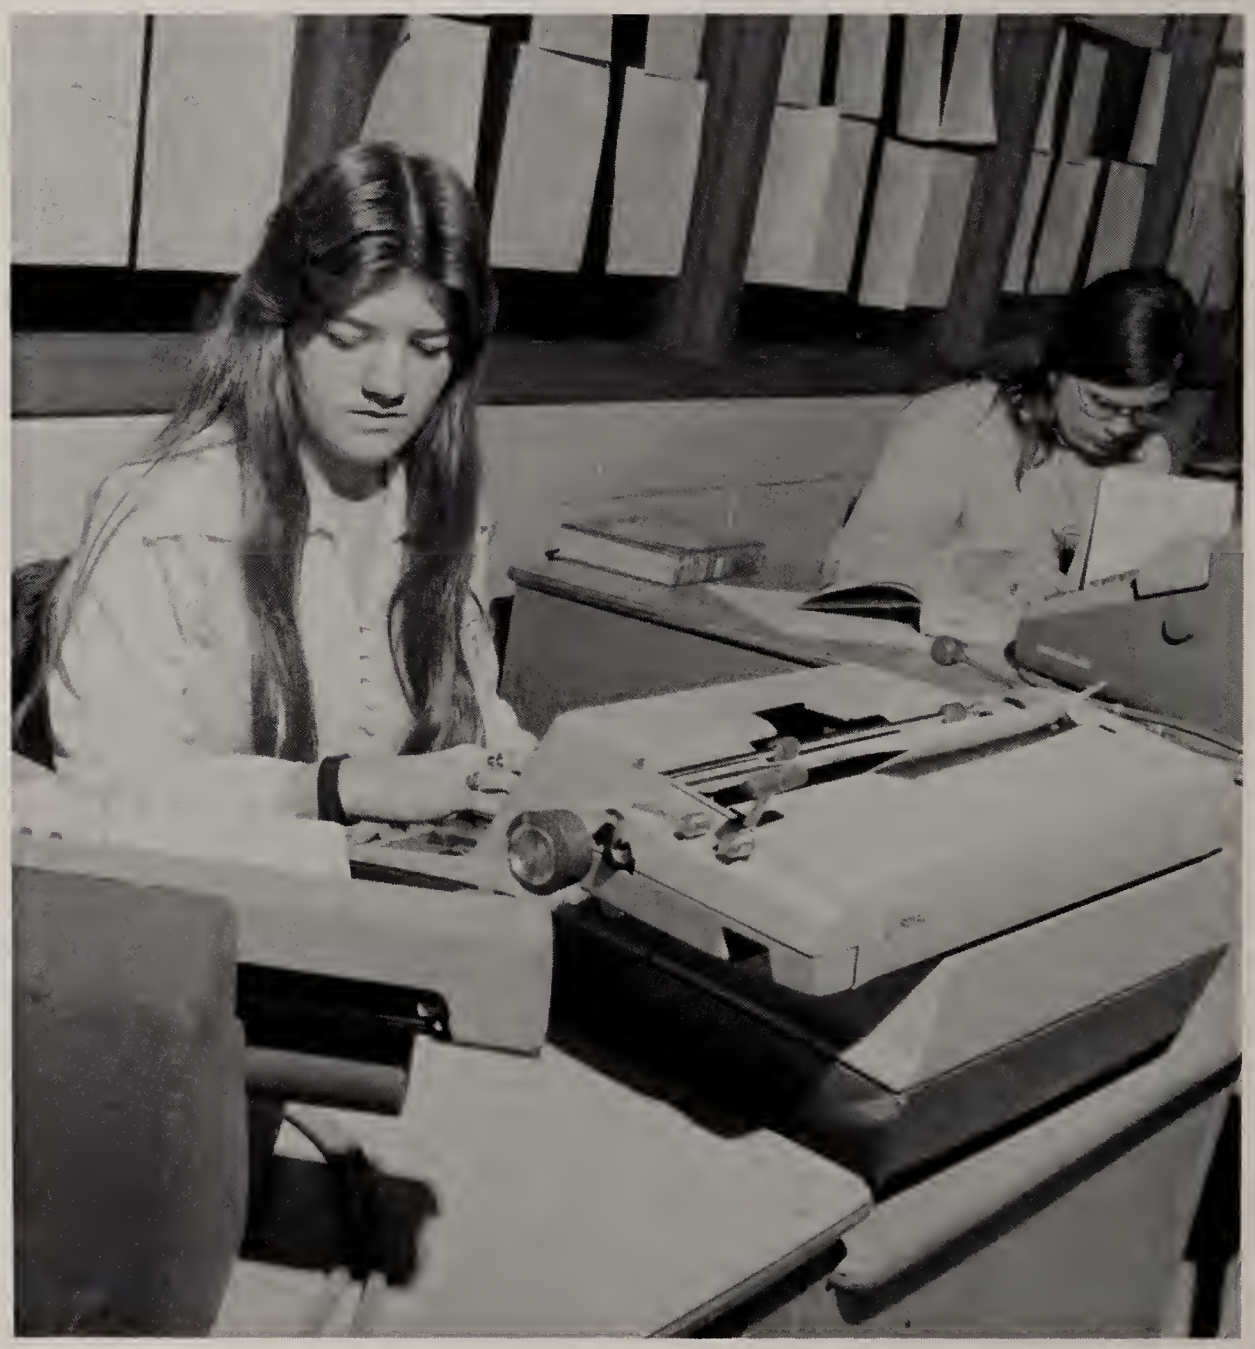
Mrs. Bradley stops and interrupts her busy schedule to have her picture taken.

Kim Sichting was the Guidance Office assistant this year.

BUSINESS DEPARTMENT

Many boys and girls prepare themselves for the future by taking business courses. The business teachers this year are Mrs. Woods, Mrs. Wertz, and Miss Sluss. The courses they teach are Typing, Bookkeeping, Shorthand, Intensive Office Lab, General Business, Business Machines/Secretarial Practice, Business Math, and Business Law.

Brenda looks intent as she transcribes a letter.



Jamie Scallions transcribes a letter for shorthand.

Mrs. Wood's Typing II class.

Mrs. Wertz teaches I-Lab, General Business, and Secretarial Office Practice.

Bookkeeping class *seems* to be working hard.

SCIENCE DEPARTMENT

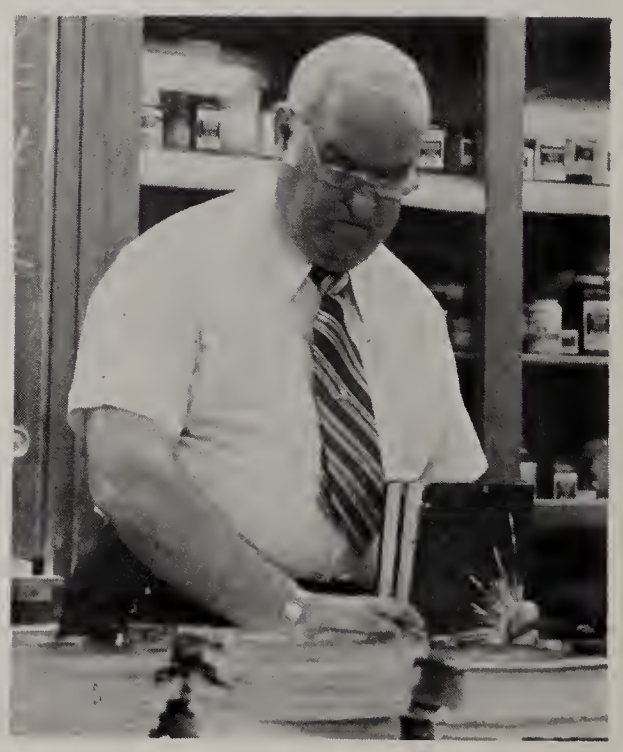
This year we had a new arrival to the Science Department, Mr. Williams. His comment to his first year here was, "It was a learning experience!" Mr. Heckman and Mr. Mitchell have also taught in the fields of Chemistry and Physical Science. Next year the Science Department will be receiving new books and workbooks.

Mr. Williams teaches Brenda Cantrell some of the fundamentals of Biology.

One wouldn't think that the Seniors in Mr. Heckman's physics class would pose for a picture, would they??

A lot of the students taking Chemistry this year seem to be the sophomores.

What's so funny Kay?



The instructor and head of the Science Department is everyone's favorite teacher Mr. Heckman.

ENGLISH DEPARTMENT

English II—Mrs. Ditmars, Jr. English class seems to be reading intentley, well most of them!

The English department's main goals are to teach students to express themselves more effectively in speaking and writing, to stress comprehension in relating, creative thinking, and for appreciation and understanding of literature, library people, and our own native language. It also encourages independent reading and increases vocabulary.

Mrs. Jones encourages creative writing in her classes.

Sr. English class is hard at work as usual.

Miss Ellison really gets into her work.

FOREIGN LANGUAGE DEPARTMENT

The courses offered under the language department are French, under the direction of Mrs. Rebecca Stafford, Spanish with Miss Ellison, and Latin with Mrs. Kaye Mishler. "Our language department has developed quite a bit, in the years of the Creek's existence—with more students active in these courses."

Mrs. Mishler, we have a problem!

Spanish II class seems to be pretty busy.

Patty & Monica listening to a French tape.

Miss Ellison going over one of her dreadful tests.

Tobi and Linda must have found Mrs. Stafford's carefree side. *She's laughing!*

OUR AMERICAN WAY

Mr. Harmon, Mr. Hoagland, Mr. Hynes, Mr. Scott, and Mrs. Mishler give the students here at the Creek a look at the world of history. The teachers offer: Sociology/Psychology, U.S. History, Economics/Gov't, World History, and American Problems. These courses give the students a better look at our nation's past.

Mr. Hoagland gives all his Senior classes insights into the world of gov't and econ.

Mr. Harmon helps the Juniors correct their history workbooks.

An interested 4th hour Econ. class.

"Reading about the problems" of American life.

Hearing the psychology of life.

Tammy Taylor is studying a map of one of America's World Wars.

THE WORLD OF MATHEMATICS AT IC

Mr. Sturgell and his Business Math Class.

Mrs. Weber, Mr. Sturgell, Mr. Hopkins, and Mr. McKown help students *try* to understand both the world of mathematics and to relate geometry with the world in which we live. Courses offered here at the Creek are: Basic Math, Algebra I & II, Geometry, Business Math, and Senior Math.

Mr. Hopkins looks on as his freshmen Algebra class works on problems.

Mrs. Weber *trys* to explain a problem.

One of Mr. Hopkins' Algebra classes are hard at work

HOME EC. & ART DEPARTMENTS

Although Chris and Brenda may look shy, they're still smiling.

Home Eeonomies students have been involved in many activities this year. They have done many sewing and cooking projeets. Advanced students are given the opportunity to make whatever appeals to them. Instructor: Miss Settles. Art projeets ineluded banners, paper maehe, Indian bead work, leather crafts, eollage, prints, plaster earving, embroidery, rug shooping, plus various other projects. The student teaeher, Mr. John Essex, made a large poster for the playoffs of an Indian riding a tiger.

As Diana calls the FHA meeting to order, not everyone was paying attention.

Julie Clark is busily working on her leather project.

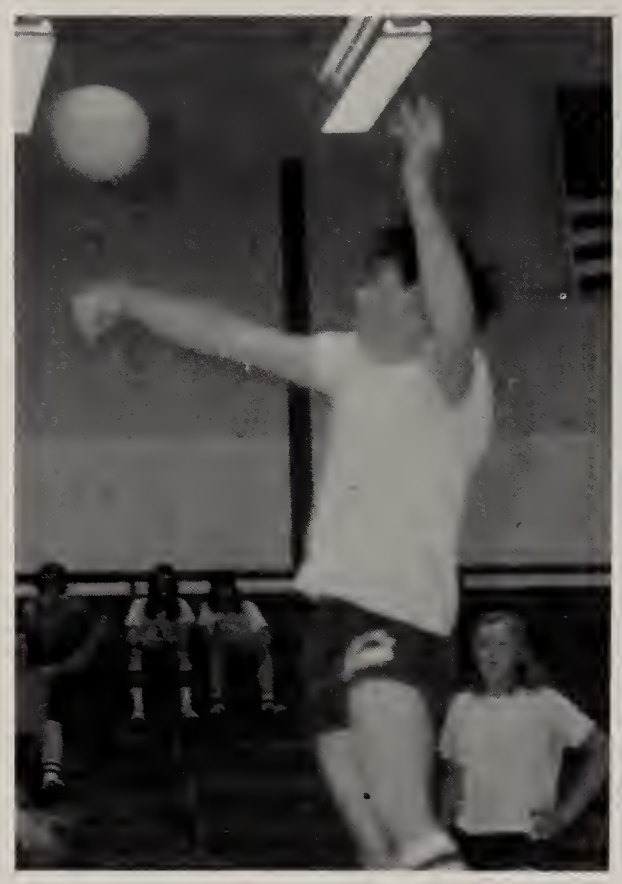
FHA, having discussion about next year's officers.

Mr. John Essex, a student teacher, from Franklin College.

P.E.–THEY'LL TICKLE YOUR SPINE!

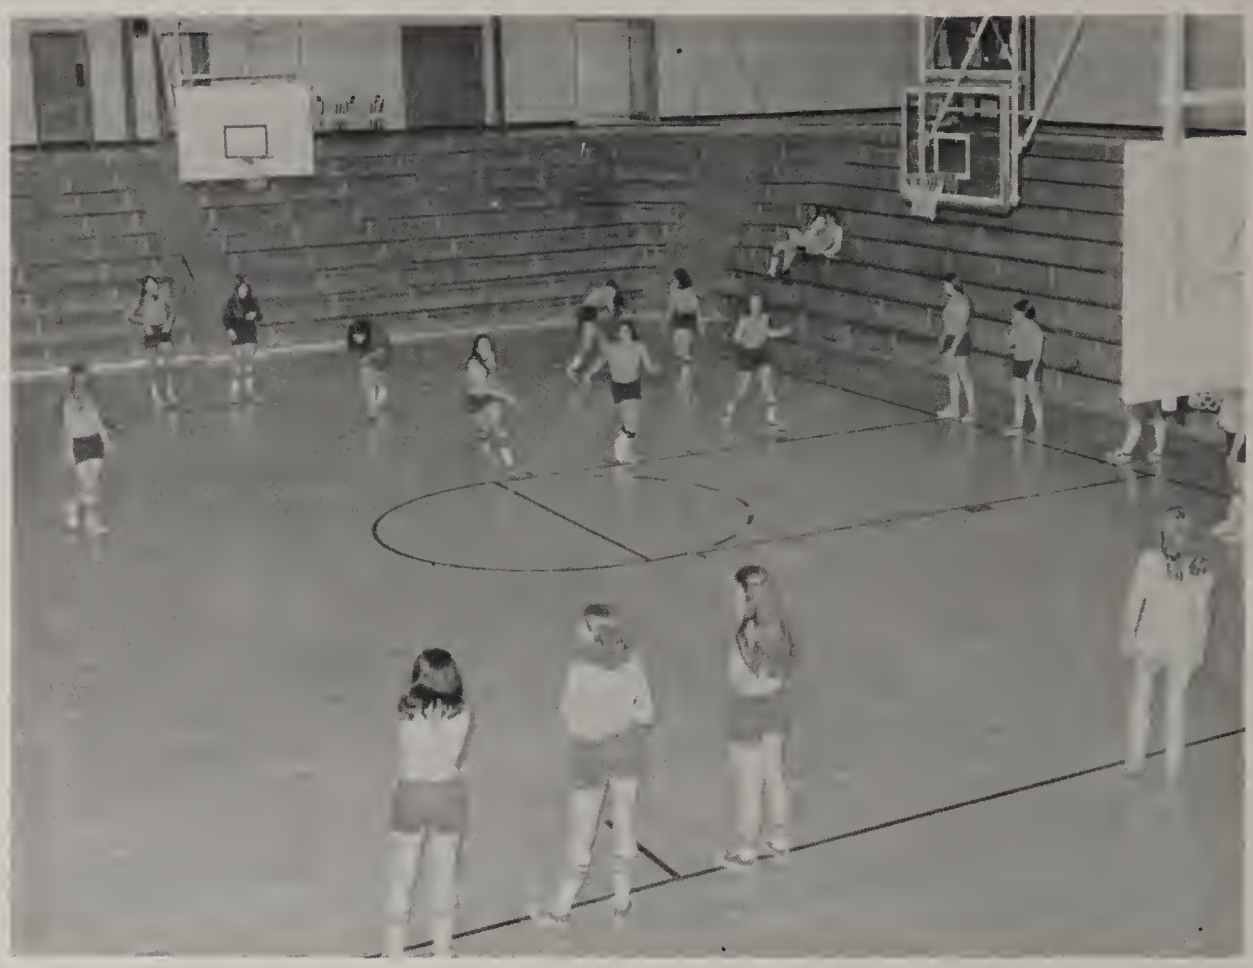
Physical Education really developed in the 1975-76 school year. The two male instructors of the boys P.E. were Mr. Bob Hynds and Mr. Max Dean. Junior and Senior boys, under the direction of Coach Dean, established the first co-ed class at the Creek. Many activities were started for the class throughout the year, such as bowling, roller skating, golfing, and "in class" activities.

The girls are instructed in their physical education by Mrs. Connie Weber and Mrs. Norma Newton.



Ed Houser is shocked by a coming volleyball.

Windell Smith gets ready to return the volleyball to the opposing team.



The girls P.E. class including Judy Mitchell, Laura Hickey, and Donna Payton, try striking out the other team.

First hour students are so enthused and wide awake.

TEACHING STUDENTS THE LIFE OF A RURAL COMMUNITY

Mr. Park teaching his Agriculture class.

Mr. Goodlive shows Ben how to improve his project.

Doug, Roger, & Dwayne are busy in Shop.

Shop, Agriculture, and Drafting classes worked on many projects during the year. Shop students learned the basics of metal and woodworking, while making individual projects such as lamps, tables, and bookends. The students in drafting worked on house plans and model drawings. The Ag classes were kept with the school farm property. They also cared for the farm equipment for its use in the spring.

Drafting class works on one of their many projects.

Kevin shows off his newly painted car.

SPEECH AND DRAMATICS CLASS PRESENTS PLAYS

Speech and Dramatics has been an active class this year. Taught by Mr. Dean, students learn not to be inhibited when getting up in front of a group of people. The main goals are to learn proper speech habits and to acquire training in acting. Two one-act plays were presented to the student body on the 17th and 18th of May. The first was "A Date for Bobby Sox", which was about a 14 year old girl and the problems she encounters on her first date. "Feudin' Mountain Boys", the second play, centered upon two families from the hills who end up in a feud. Both plays were enjoyed by all who saw them.

Harold, played by Bill Rhoades, hides as Bobby Sox hustles her sister Margie (Cindi Catt) out of the room.

Effie (Sherry Scott) tells Freddie to "shut his tater trap", Grandma Frump (Pat Markward) talks about her feudin' days, and Hiram considers Cora Mae's charm.

Mrs. Hannah (Anita Fischer) discusses her husband, who was played by Jeff Courtney, with Bobby Sox (Dawn Woods).

Cora Mae (Starla Scallions) puckers up to kiss Hiram (Matt Branham), who doesn't seem too thrilled with the idea.

Ma Frump (Cindy Webb) smiles as Freddie (Richard Clark), her son, looks on. Pa Frump was portrayed by Joe Wells.
